

Machine Mavericks -- FRC Team 7480

FIRST Youth Protection Program

- **FIRST Youth Protection Program**
 - Those engaging with youth have a responsibility to protect them.
 - We use FIRST's safety measures to help us with that protection.
 - Screen mentors and give them training tools.
 - Provide teams with Safety Guidelines and Manuals.
 - Provide teams with training videos so that students and mentors are clear in understanding safety.
 - Regular checks through Safety Captains and Lead Mentors.
 - Clear instructions and requirements for reporting.
 - Each team has a plan of action for safety protection, concerns, and reporting.

- **Understanding Appropriate Boundaries**
 - FIRST Video

- **How to Report Safety Concerns**
 - Speak with a mentor or parent privately.

- **Understanding Reporting**
 - All discussions will be taken seriously without repercussions.
 - If the situation merits, always call 911 or contact authorities.
 - Our goal is to create an atmosphere of trust and respect.

- **Consequences**
 - Yellow Light Behavior: A person will receive a verbal warning. Multiple warnings will result in a request to leave the team.
 - Red Light Behavior: A person will immediately be removed from the situation and the team.
